

Phase II - Arrival of Recovery Team to Withdrawal of Support

Communication and Huddle

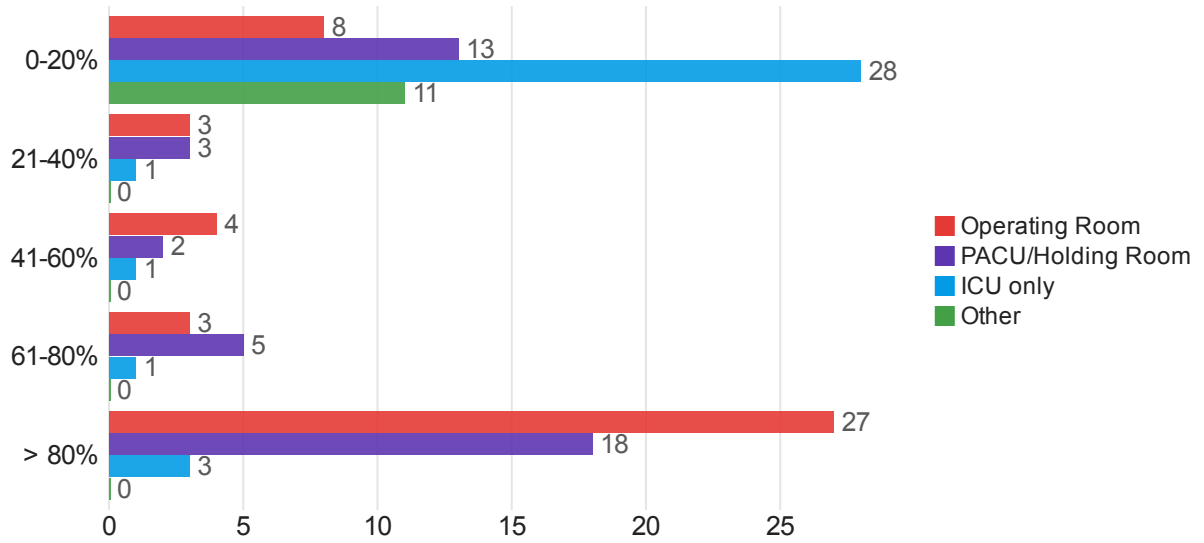

Do you perform a huddle with hospital, OPO and transplant teams, including recovery surgeons, prior to withdrawal of support?

Does your OPO, or do any hospitals within your OPO, require separate physicians for end-of-life care and declaration of cardiovascular death?

| Field | Count |
|---------------------------------------|-----------|
| OPO requires separate physicians | 6.38% 3 |
| Hospital requires separate physicians | 4.26% 2 |
| Both require separate physicians | 8.51% 4 |
| This is not required by either | 80.85% 38 |
| Unknown | 0.00% - |
| Total | 47 |

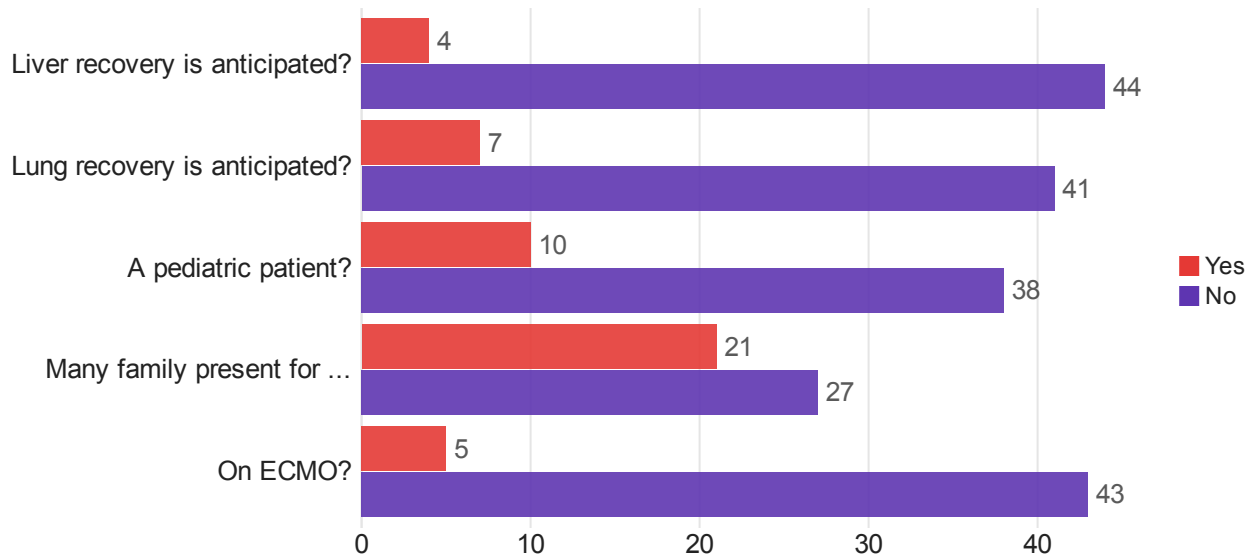

In what proportion of hospitals in your DSA, is withdrawal of care allowed in the following locations:

| Field | Mean | Standard Deviation | Variance | Responses |
|-------------------|------|--------------------|----------|-----------|
| Operating Room | 3.84 | 1.59 | 2.53 | 45 |
| PACU/Holding Room | 3.29 | 1.77 | 3.13 | 41 |
| ICU only | 1.53 | 1.24 | 1.54 | 34 |
| Other | 1.00 | 0.00 | 0.00 | 11 |

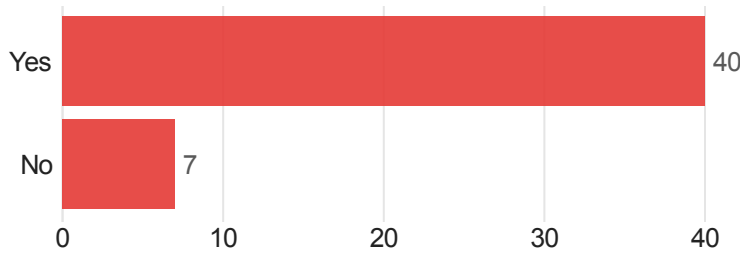

| Field | 0-20% | 21-40% | 41-60% | 61-80% | > 80% | Total |
|-------------------|-------|--------|--------|--------|-------|-------|
| Operating Room | 8 | 3 | 4 | 3 | 27 | 45 |
| PACU/Holding Room | 13 | 3 | 2 | 5 | 18 | 41 |
| ICU only | 28 | 1 | 1 | 1 | 3 | 34 |
| Other | 11 | 0 | 0 | 0 | 0 | 11 |

Does location change if:

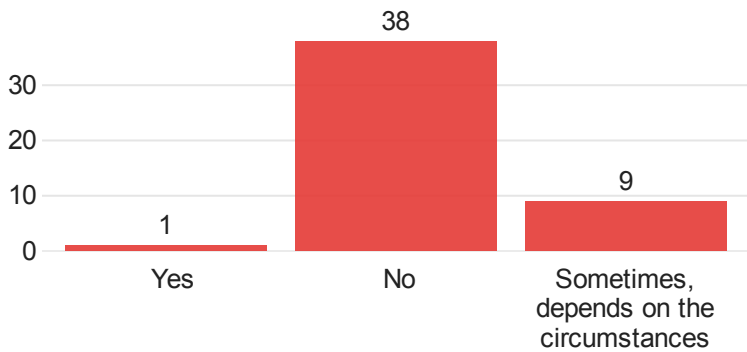

| Field | Yes | No |
|-------------------------------------|-----|-----|
| Liver recovery is anticipated? | 9% | 23% |
| Lung recovery is anticipated? | 15% | 21% |
| A pediatric patient? | 21% | 20% |
| Many family present for extubation? | 45% | 14% |
| On ECMO? | 11% | 22% |

Does your OPO's policy allow pre-withdrawal of life support prep/drape?

| Field | Count |
|-------|-----------|
| Yes | 85.11% 40 |
| No | 14.89% 7 |
| Total | 47 |

Do you believe that family presence is a barrier to successful DCD?

| Field | Count |
|---|--------|
| Yes | 2.08% |
| No | 79.17% |
| Sometimes, depends on the circumstances | 18.75% |
| Total | |

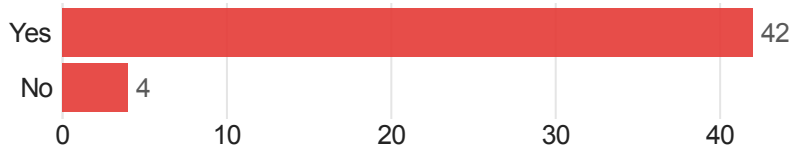

Do you offer family members the opportunity to be present for withdrawal of support?

| Field | Count |
|-------|-------|
| Yes | 48 |
| No | - |
| Total | 48 |

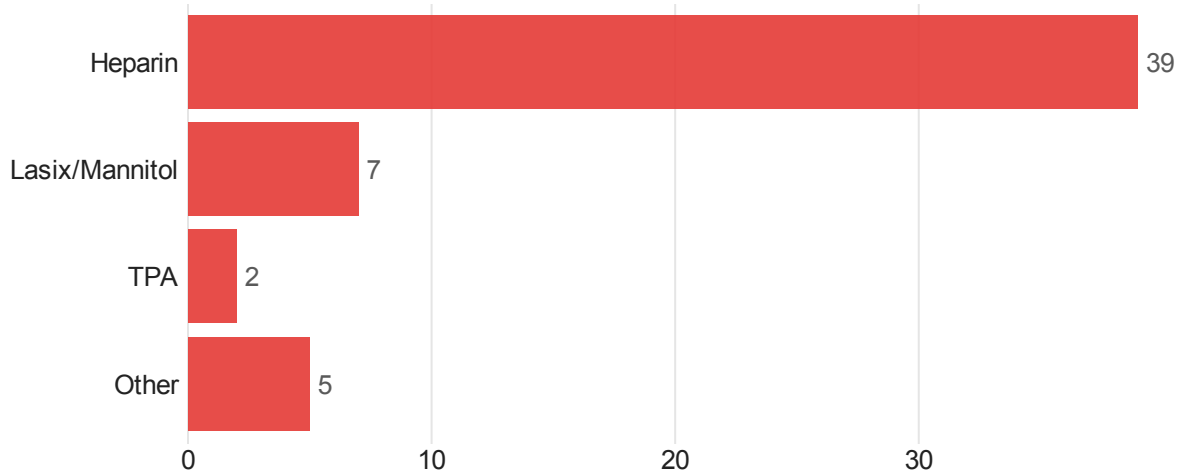

Does your OPO allow the administration of pre-withdrawal medications?

Q75 - Does your OPO allow the administration of pre-withdrawal medications?

| Field | Count |
|-------|--------|
| Yes | 91.30% |
| No | 8.70% |
| Total | |

If yes, which are allowed (select all that apply):

Other

Other - Text

Solu-Medrol, Bicarb

Varies upon transplant request

physician discretion

Hydralazine

Hospital Discretion, not OPO-related
