

LEAVE A *Legacy*

THE TEXT BELOW MAY BE USED FOR AN INTERNAL EMAIL FROM YOUR ORGANIZATION'S CEO OR FOR AN INTRANET/INTERNAL NEWSLETTER ARTICLE. PERSONALIZE AS NEEDED FOR YOUR ORGANIZATION.

Each April during National Donate Life Month, organizations throughout Arizona celebrate the renewed health of organ and tissue recipients, honor those selfless gifts given by donors and their families, and join with the common goal to save and heal lives through registering as an organ and tissue donor.

[ORGANIZATION] is joining the celebration alongside Donor Network of Arizona (DNA). DNA is the only nonprofit organ procurement organization federally designated to serve our state, and also serves as a tissue recovery agency for transplantation. Additionally, DNA provides moms the opportunity to donate their placenta after giving birth via C-section.

DNA helps its friends and partners observe and celebrate Donate Life Month as part of its mission to make the most of life through the gift of organ and tissue donation. This year, the full calendar of Donate Life Month events can be found at DonateLifeMonthAZ.org.

This year's theme uses trees as a symbol of life and connection. 🌳💙 Just like trees grow and support each other, donation connects people – donors, recipients and their families. They stand for generations, just like how a donor's gift gives a lasting legacy of hope and life.

Our participation in Donate Life Month is a symbol of hope for more than 108,000* people in the United States who are waiting for a lifesaving organ transplant, and it is a symbol of strength for those donors and their families who have made the most generous decision to share life.

Help **[ORGANIZATION]** leave a legacy this April! Make your decision known by signing up online at DonateLifeAZ.org/DLM **[OR CUSTOM ORGANIZATION LINK]** and remind your friends and family to say YES to donation when visiting an Arizona Department of Transportation Motor Vehicle Division or an authorized third-party office whenever they renew or update a driver's license or state ID. Please also speak with your family about your decision to sign up.

**As of Jan. 30, 2026*
